4 REASONS TO ALIGN WITH GOOD

good is New Zealand's premier magazine focusing on sustainability, wellness and eco-consciousness for the individual and planet.

Investing advertising dollars in *good* isn't just about promoting a product or service – it's about amplifying powerful values of sustainability, wellbeing and positive change. Together, we can deliver your messaging to drive impactful change, inspire conscious consumerism and pave the way for a brighter, more sustainable future.

Need more convincing? Here are four more reasons you should align with us:

MULTI-PLATFORM POWER

We're an ecosystem of goodness – from our beloved print magazine to our buzzing website, lively social media channels, event sponsorships and beyond.

TRUSTED BRAND

good's roots trace back to a magazine born right here in beautiful Aotearoa in 2009. We are known as a trustworthy and credible brand.

TARGETED AUDIENCE ALIGNMENT

Our audience actively seeks out products that *good* gives the nod of approval to. They love passing on wisdom to the next generation – essentially marketing on your behalf.

SHARED VISION

People are increasingly drawn to brands that align with their values. Associating your brand with *good* isn't just making a statement, you'll ignite a conversation.

OUR CORE PILLARS

good.

WELLBEING

Reserve your spot amid content about personal wellness and holistic living. Show your brand's commitment to physical, mental and emotional health – resonating with readers who want natural alternatives, balanced lifestyles and a positive future.

PEOPLE

Yes, you can sit with us! Nestle your brand in a spot for readers passionate about personal growth, mental health and social responsibility. Here you can align with values of empathy, inclusivity, vulnerability and connection.

SUSTAINABILITY

Here, you'll reach an audience deeply committed to eco-conscious living and ethical consumption. By aligning with *good*, you demonstrate your commitment to the circular economy, connecting with consumers who value environmental responsibility.

TRAVEL

This is your 'destination' if you're keen to showcase eco-friendly places, sustainable travel practices and mindful experiences, capturing the imaginations of an audience passionate about exploration and responsible tourism.

STYLE

Calling all makeup and fashion products: connect your brand with an engaged audience seeking choices that promote sustainability and wellbeing. Strut your eco-conscious stuff among stylish consumers who value aesthetics as well as ethics.

FOOD

Join a movement of mindful eaters who care about where food comes from, how it's made and its impact on the planet. Your ethical sourcing, nutritious ingredients or eco-friendly packaging resonate with consumers seeking nourishing choices.

HOME & GARDEN

Think homes and outdoor areas that prioritise ethical sourcing, sustainable materials and nurturing spaces. Connect your brand with readers keen to cultivate vibrant gardens, using eco-friendly products that help their environment flourish.

GOOD TRAVEL

Our readers love to go away locally and overseas. They care about how they travel, where they go and operators with responsible practices in mind. They enjoy walking holidays, conservation tours, places with remarkable nature and animals, holistic retreats and activity-based trips such as yoga and journalling. They seek unique experiences that align with their sustainable and eco values.
