PAID CONTENT

Provides advertisers an opportunity to tell stories and deliver complex messages in a high quality advertorial format. Can be company profiles, case-studies, expert opinion/thought-leadership - either written by the advertiser or, for an extra cost, written by StopPress journalists.

This type of content allows advertisers to contract our editorial team to use their judgement and skill to tell our readers your story in a compelling way, appropriate to our channels

This format works best when the message is not 'salesy'. Our audience wants to read articles that are:

» **NEW** /// What can you tell them that they haven't heard before?

» **DISTINCTIVE** /// Do you have an unusual perspective on something?

» **HUMAN STORIES** /// readers love hearing about personal stories - real responses to well-loved brands, things that touch the emotions.

» **USEFUL ADVICE** /// Do you have expertise in an area marketers/ advertisers struggle with? What can you advise?

PAID CONTENT OPTIONS

» **INTERVIEW** Our writers will work with you to find angles which align with our audiences' interests. Interviews can be face-to-face or via zoom, phone or email.

» **Q&A** Our editorial team will work with you to come up with a series of questions to respond to - usually via email.

» **ADVERTISER SUPPLIED** - you the advertiser writes the article, and our editorial team will sub-edit and work into our style.

RATES

Subject to specific requirements, include interview, writing and media space. Article word count = approximately 800 words. **IMAGES** enhance the content, and we ask the advertiser to provide these. Can be people pics, graphs/infographics, work, product shots, video, etc.

Articles will be published on StopPress website/mobile and appear in one StopPress newsletter (emailed to 10,000 subscribers). **To appear in more newsletters, add \$200 per additional newsletter.**
